COMPANY INTRODUCTION

Since our initial inception in 2011, KidzTech has quickly become the world's leading Radio Control Car Manufacturer. With our headquarters based in Hong Kong and our manufacturing plant based in Guangdong, China, we are vertically integrated to produce high-quality, radio control, premium products at exceptionally competitive prices. Our design, engineering, and product development teams working at our wholly-owned facility monitor the entire production process from start to finish. Our facility has been awarded ICTI, ISO 9001 and SA8000 certification. Our licensing team has secured best-in-class licenses for our radio control vehicle line that include but are not limited to, Bugatti, Porsche, Lamborghini, Kawasaki, Yamaha, Ford, General Motors, Volkswagen, Dodge, and our newest license acquisition, the iconic **Hot Wheels** and **Thomas & Friends** brands. KidzTech is always on the leading edge of technical, functional, and design trends. Our products are sold in all major stores all over the world. Come be a part of the KidzTech family. Where safety, integrity, and product innovation come first, but fun is always the end result!
