TRANSFORMERS™

COMPANY INTRODUCTION

Since our initial inception in 2011, KidzTech has quickly become the world's leading Radio Control Car Manufacturer. With our headquarters based in Hong Kong and our manufacturing plant based in Guangdong, China, we are vertically integrated to produce high-quality, radio control, premium products at exceptionally competitive prices. Our design, engineering, and product development teams working at our wholly-owned facility monitor the entire production process from start to finish. Our facility has been awarded ICTI, ISO 9001 and SA8000 certification. Our licensing team has secured best-in-class licenses for our radio control vehicle line that include but are not limited to, Bugatti, Porsche, Lamborghini, Kawasaki, Yamaha, Ford, General Motors, Volkswagen, Dodge, and our newest license acquisition, the iconic Hot Wheels, Thomas & Friends and Transformers brands. KidzTech is always on the leading edge of technical, functional, and design trends. Our products are sold in all major stores all over the world. Come be a part of the KidzTech family. Where safety, integrity, and product innovation come first, but fun is always the end result!

Hänz[®]

Connect
+
Create
+
Compete

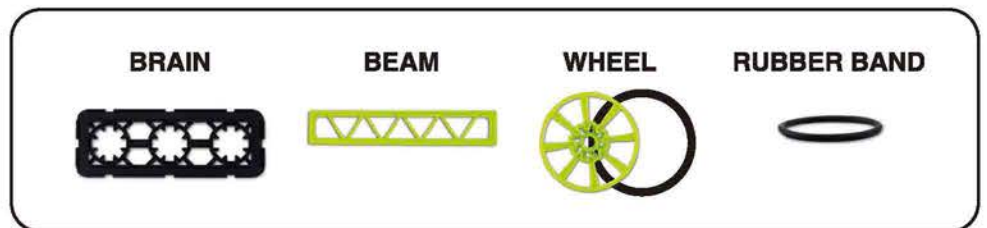

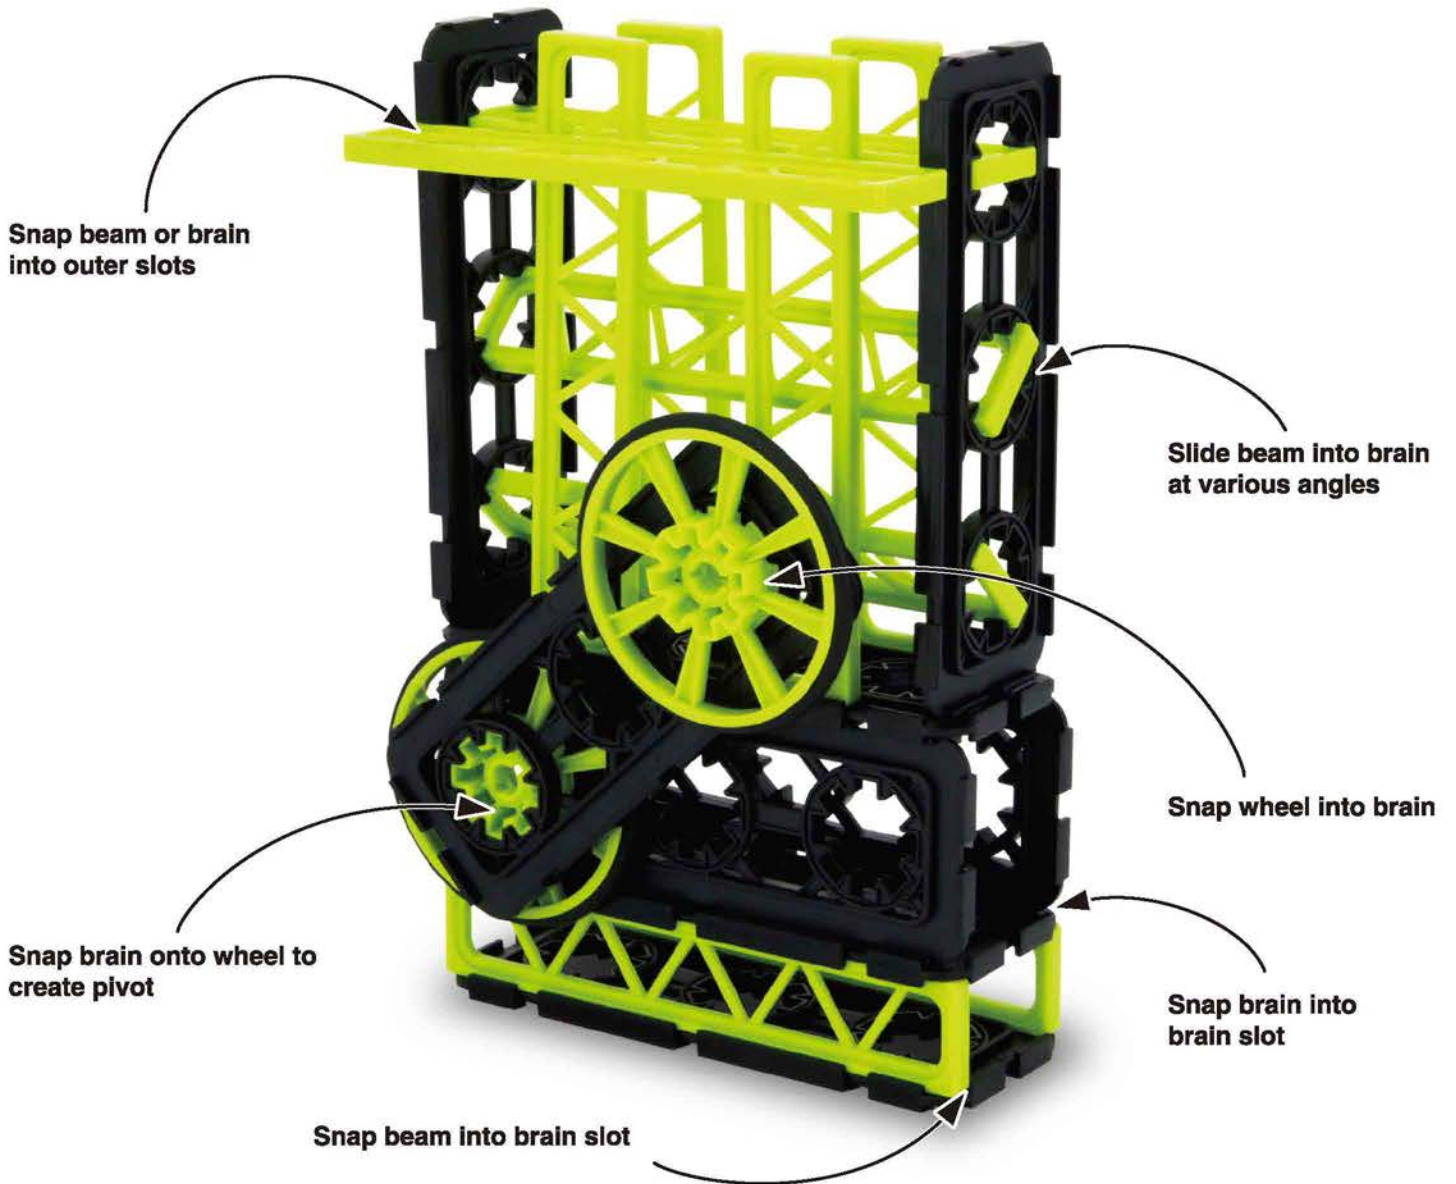

For decades, kids have been using building blocks that come with instructions. Real innovation does not come with an instruction manual. The Hänz™ System is an innovation platform that is designed to teach kids the secrets of invention. These neon colored building blocks are perfect for both creative kids and adults. The possibilities are limitless!

HOW OUR PARTS CONNECT

Connect + Create + Compete

#82221

Hanz Genius Blocks

8+

Features:

Think outside the block, unlike old-fashioned building bricks that only have two connection points, our GeniusBlocks™ have been turbocharged. Based on the science of the Small-Rhombicuboctahedron, our GeniusBlocks™ geometry is the building blocks of the future. The GeniusBlocks™ allow you to create over 500 amazing structures and designs.

The best platform for teaching STEM science, Technology, Engineering & Math
